Kindergarten enrollment 2021/2022 school year

current opportunities in Scandiano

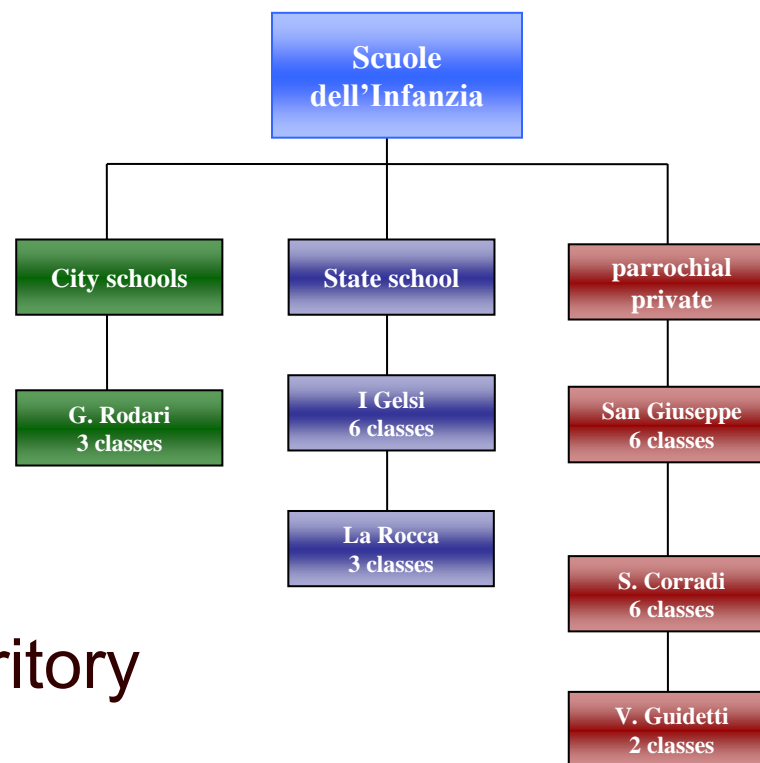

"You should know that children, although being naturally apt to it, do not perfect the art of becoming friends with other children or adults, by copying models you find in handbooks. They grasp and interpret real-life models by looking at how good adults around them are at being, working, discussing, thinking and researching together."

Loris Malaguzzi

Public and private kindergardens currently available in Scandiano's territory

26 classes in total
for children aged between
3 and 6

News in 2021/2022 school year

Children residing in Scandiano and born in 2018, who are thus suitable to access kindergarten, are in total 186 against the 215 spots potentially available in the public and private school system which means that

there's room for everybody

News in 2021/2022 school year

The new school year provides for an organisational rearrangement of the school network, both public and private, due both to a drop in demographic rates and to new and more balanced criterias of classes' formation, aimed at guaranteeing higher quality standards to families.

Here are the main news:

- 1.The number of spots available in the four classes of the public school has been decreased to a maximum of 20 children per class:** Two classes in “I Gelsi” public school, one class in “La Rocca” city school, one class in “G. Rodary” city school.
- 1.Introduction of a fee** for the newly enrolled in public schools who opted for the antimeridian attendance (from 8.00 to 11.30) and set at € 30,00 per month, covering the expenses for the morning snack.
- 1.The classes formation** criteria will take into consideration not only the score obtained, but the necessity to have balanced classes not only from a numeric point of view, but an heterogeneous one as well.

How and when to enroll

Enrollment in **Public kindergartens** are to be submitted **online only** using the EntraNext portal, which can be found by:

1. going on the City council's website www.comune.scandiano.re.it and following the path: - Entra in Comune - Servizi on-line - PagoPA - EntraNext - Accedi
2. or by typing "Portale al Cittadino Comune di Scandiano - EntraNext - Accedi" on any browser

Once you enter the EntraNext portal you will find the instructions necessary to correctly fill the online form.

Access ranking do not take into consideration the time of the request's submission but the assigned score only.

From Monday 4th January until 25th January 2021
